

A MESSAGE FROM FATHER CONNALL

Dear Brothers & Sisters in Christ,

As I begin my fifth year as Rector, I am reminded of the tremendous blessings which come from being a member of our Cathedral Parish Family. The Cathedral is a treasure which we strive to preserve and faithfully hand on to the next generation. Part I of our *Cathedral Campaign for a Second Century* is complete. Your generosity over the past three years has allowed us to make some major repairs and upgrades to the Cathedral campus. It is now time to move to Part II.

Located in the heart of Downtown Spokane, the Cathedral is an imposing presence which points our community to the Lord and draws the attention of a secular world to divine realities. Part II of our *Cathedral Campaign for a Second Century* will reflect our commitment to the restoration of the Cathedral Sanctuary and will no doubt further our evangelization efforts. As Catholics, we know that the beauty of sacred architecture has the power to lift people's hearts and minds to God. This is an exciting time for our parish.

As you read through the details of this upcoming project, I ask that you prayerfully consider making a three-year pledge. Your sacrificial gift will help us to build for the future and leave a legacy of faith for the generations who will follow.

I thank you in advance for your generosity, support, and prayers. May God, who is never outdone in generosity, reward and bless you.

Sincerely yours in Christ,

Father Darrin Connall
Rector
